MEMO FOR: HENRY A. KISSINGER

FROM: WINSTON LORD

SUBJECT: My Call to New York

As instructed, I called Mrs. Shih at 10:30 a.m.
today with the following three messages:

1. Mr. Jim Fazio will come to their Mission at 5:00 o'clock this afternoon, New York time, to pick up their message. He will communicate it immediately to us, but will have no other authority.

2. (Using double talk) The change in the Intelsat directory listing will be made within a month.

3. I explained the change in port security regulations, which will put the PRC on the same basis as the Soviet Union and will allow the particular pending deal for grain purchase to proceed. However, there are technical and legal details concerning these regulations which the PRC should be aware of with regard to future port calls. Formal notification of the change in regulations, as well as all the relevant details, will be provided through Paris in the very near future.
